

Welcome to the latest update from the Cheshire and Merseyside Cancer Alliance (CMCA) Primary Care team. This update covers several of our work streams, but we are always keen to hear from you, so do reach out and contact us at ccf-tr.cmcaprimarycareengagement@nhs.net.

MARCH CANCER AWARENESS

- Brain Tumour** - [The Brain Tumour Charity](#)
- Ovarian** - [Target Ovarian Cancer](#)
- Colon** - [Bowel Cancer UK](#)
- Prostate** - [Prostate Cancer UK](#) | [Prostate Cancer UK](#)

APRIL CANCER AWARENESS

- Bowel** - [Bowel Cancer UK](#)
- Testicular** - [Testicular Cancer UK](#)

PRIMARY CARE WEBINAR – 23/24 MAY 13:00 – 14:00 (DUPLICATE SESSIONS)

Hold the date, we are hosting a webinar to outline the requirements of the updated Early Cancer Diagnosis element of the 2023/24 PCN DES, share relevant initiatives and highlight support available to help Primary Care colleagues with delivery. This webinar is open to clinical and non-clinical Primary Care colleagues.

Further resources and support will be available through the Primary Care Engagement Team and the Cancer Academy.

To register your place click [here](#) to email the team stating your preferred date and a calendar invite with an MS teams link will be issued to you.

Early **Detect** Early **Protect** - **CMCA SCREENING WEBSITE** - Let's get more people screened and protected. With a detailed information toolkit and range of promotional resources, the website has been created to educate and empower everyone from GPs to community nurses, community professionals and volunteers so they can start more early conversations about screening with the people they see every day. You can access the website [here](#)

Galleri Trial

Thousands of volunteers from Chester, Wirral and Crewe will be returning to help the NHS study a ground-breaking cancer detection test this spring.

GPs who require more information click [here](#) and other primary care staff click [here](#)

TARGETED LUNG HEALTH CHECKS - The extension to the current TLHC programme in Liverpool, Knowsley and Halton has now been launched with it expanding into St Helens and South Sefton. Click [here](#) for more information.

If you haven't already, please take time to have a look at **THE CANCER ACADEMY** which has an array of resources for cancer education in primary care and includes support materials for the PCN DES and QOF.

You will also find resources to support ARRS roles. You can register and access the site [here](#).

ASPIRANT CANCER CAREER AND EDUCATION DEVELOPMENT PROGRAMME (ACCEND). The ACCEND programme aims to provide transformational reform for the career pathways and associated education, training, learning and development opportunities for the workforce providing care to people affected by cancer.
